

DREXEL UNIVERSITY
Dornsife
School of Public Health

Please complete the following brief survey at the beginning of your field experience. We value your feedback!

Did you attend the in-person training session on the use of the MCH app?

- Yes
- No

Did you review the training recap email, app navigation video, and professional information sharing training slides within the app? Check each box for those you reviewed.

- Training recap email
- Navigation Video (how to log in and navigate the app)
- Professional Information Sharing Training Slides within the app

Was the provided combined synchronous (in-person session) and asynchronous (introductory email with checklist and reminders, navigation video, and professional information sharing slides) on the use of the app satisfactory in helping you to understand how to use the app and how to contact or engage with administrators and peers?

- Yes
- No

If the provided training was not satisfactory, please rank the following types of training in the order you feel would be most satisfactory (1 = most satisfactory, 3 = least satisfactory)

- Synchronous face to face (in person) training only
- Synchronous (live) video training only
- Combination of synchronous face to face and asynchronous online training
- Asynchronous online training only

Was the navigation video helpful to you in understanding how to use the app and its functions?

- Yes
- No

Which of the following training slides related to professional information sharing are most meaningful to you? Please rank the slides in the order of most meaningful to least meaningful (1 = most meaningful, 6 = least meaningful)

- Get Creative
- Privacy Protection
- Share to Teach and Read to Learn
- Check Your Tone
- Respect the Opinions of Your Peers
- Be Brief

Rank the training topics below in the order you feel the Community Manager will be most helpful to you while using the app (1 = most helpful; 6 = least helpful)

- Get Creative
- Privacy Protection
- Share to Teach and Read to Learn
- Check Your Tone
- Respect the Opinions of Your Peers
- Be Brief

Do you feel this training provided you additional insights on being mindful about what and how you share online both personally and professionally?

- Yes
- No
