

# Data Collection for Implementation Equity

Ramaswamy & Kainz, 2019

CEJ <sup>1</sup> Principle	Implementation Outcomes	Implementation Strategies	Implementation Determinants
Explicitly address issues of social and economic injustice and structural racism.	Current Aspirational	Current Aspirational	Current Aspirational
Employ a community development approach in which residents have equal power in determining the coalition or collaborative's agenda and resource allocation.	Current Aspirational	Current Aspirational	Current Aspirational
Employ community organizing as an intentional strategy and as part of the process. Work to build resident leadership and power.	Current Aspirational	Current Aspirational	Current Aspirational
Build on the extensive community-engaged scholarship and research over the last four decades that shows what works, acknowledges its complexity, and evaluates it appropriately.	Current Aspirational	Current Aspirational	Current Aspirational
Build core functions for the collaborative based on equity and justice that provide basic facilitating structures and build member ownership and leadership.	Current Aspirational	Current Aspirational	Current Aspirational
